Crossroads 2010

It is that time of the year again! Time to get our next discipleship course on the go! This is a course, aimed at high schoolers, which goes through the basics of the Christian Faith, topics such as the Bible, Suffering, Morals and Values, The Trinity and much more. It is for anyone who is interested in learning more, keen to meet new people and enjoy some fun fellowship! We enjoy weekends of camps, as well as a few fun filled activity days too! If you think this is for you, please let Sandra know as soon as possible! Bring friends along, the more the merrier!

The course will run on a Wednesday evening, from 18:00 to 19:30, at the church.

The first very important evening is a meet and greet of the course leaders! Parents as well as 'Roadies' (course attendees) are invited to this, it is an important information evening and very beneficial to all! This will mark the official start of the course!
