Allow these Quiet Moments to draw you into a time of reflection, refreshing and rest with the Lord.

We, the Church

Reading: It's on us

Song: Start Right Here. Casting Crowns (Lyrics on pages 2&3)

"When I shut up the heavens so that there is no rain, or command locusts to devour the land or send a plague among my people, if my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land.

Now my eyes will be open and my ears attentive to the prayers offered in this place.

2 Chronicles 7:13-15 New International Version

Anyone who sets himself up as "religious" by talking a good game is self-deceived. This kind of religion is hot air and only hot air. Real religion, the kind that passes muster before God the Father, is this: Reach out to the homeless and loveless in their plight, and guard against corruption from the godless world.

James 1:26-27 MSG

"If we want to see a change in the world out there it's got to start right here." (Song: "Start Right Here") What does this mean for me? Where might the Lord be calling me to make the difference? What is my "right here"?

Start Right Here

Casting Crowns

We want our coffee in the lobby
We watch our worship on a screen
We got a Rockstar preacher
Who won't wake us from our dreams
We want our blessings in our pocket
We keep our missions overseas
But for the hurting in our cities
Would we even cross the street?

Huh but we wanna see the heart set free and the tyrants kneel
The walls fall down and our land be healed
But church - if we want to see a change in the world out there

It's got to start right here
It's got to start right now
Lord, I'm starting right here
Lord, I'm starting right now

I'm like the brother of the prodigal
Who turned his nose and puffed his chest
He didn't run off like his brother
But his soul was just as dead
What if the church on Sunday
Was still the church on Monday too?
What if we came down from our towers
And walked a mile in someone's shoes?

Hmm 'cause we wanna see the heart set free and the tyrants kneel
The walls fall down and our land be healed
But church - if we want to see a change in the world out there

It's got to start right here
It's got to start right now
Lord, I'm starting right here
Lord, I'm starting right now

We're the people who are called by His name
If we'll surrender all our pride and turn from our ways
He will hear from Heaven and forgive our sin
He will heal our land but it starts right here
We're the people who are called by His name
If we'll surrender all our pride and turn from our ways
He will hear from Heaven and forgive our sin
He will heal our land

It's got to start right here
It's got to start right now
Lord, I'm starting right here
Lord, I'm starting right now
It's got to start right here
It's got to start right now
Lord, I'm starting right here
Lord, I'm starting right now
