Reading. My Rock

*“I am the Alpha and the Omega—
the beginning and the end,”
says the Lord God.*

*“I am the one who is, who always was, and who is still to come—
the Almighty One.”*

Revelation 1:8 NLT

*For who is God except the Lord?
Who but our God is a solid rock?
God is my strong fortress,
and he makes my way perfect.
He makes me as surefooted as a deer,
enabling me to stand on mountain heights.*

2 Samuel 22:32-34 NLT

*In peace I will lie down and sleep,
for you alone, Lord,
make me dwell in safety.*

Psalm 4:8 NIV

Song: The Centre of it All. Mac Powell (Lyrics on pages 2)

The Centre of It All

Mac Powell

From the coolness of the garden to the chaos of the fall
When we saw the Red Sea parted and Jericho's tumbling walls
A love was leading us to freedom
You were teaching us Your song
Through every page of history You're right where You belong

From the beginning to the ending, You're the centre of it all
It's for You and it's from You, You and You alone
The Author of our story, let it all be for Your glory
From the beginning to the ending, You're the centre of it all

From the promise of the prophets to the virgin birth
The One who healed the blind man was the King that came to serve
And on a cross You bore my burden
Took my sin down to the grave
And on that Sunday morning, You rolled the stone away

From the beginning to the ending, You're the centre of it all
It's for You and it's from You, You and You alone
The Author of our story, let it all be for Your glory
From the beginning to the ending, You're the centre of it all
You're the centre of it all

And the tears that we've been crying, You're gonna wipe away
When You call us home to Heaven, and we see You face to face
We will join the saints and angels
We will raise a victory song
Singing, "Holy, holy, holy," to the centre of it all
Of it all

From the beginning to the ending, You're the centre of it all
It's for You and it's from You, You and You alone
The Author of our story, let it all be for Your glory
From the beginning to the ending, You're the centre of it all
From the beginning to the ending, You're the centre of it all

You're the centre of it all
You're the centre of it all
