*Free those who are wrongly imprisoned;
lighten the burden of those who work for you.
Let the oppressed go free,
and remove the chains that bind people.
Share your food with the hungry,
and give shelter to the homeless.
Give clothes to those who need them,
and do not hide from relatives who need your help.
Remove the heavy yoke of oppression.
Stop pointing your finger and spreading vicious rumours!
Feed the hungry,
and help those in trouble.
Then your light will shine out from the darkness,
and the darkness around you will be as bright as noon.*

Isaiah 58

[Song: Be a Light. Thomas Rhett](#)(Click to open link) (Lyrics on pages 3&4)

*He has enabled you to share in the inheritance
that belongs to his people, who live in the light.
For he has rescued us from the kingdom of darkness
and transferred us into the Kingdom of his dear Son,
who purchased our freedom and forgave our sins.*

Colossians 1:11-13 NLT

Do Something

Matthew West

I woke up this morning
Saw a world full of trouble now, thought
How'd we ever get so far down, and
How's it ever gonna turn around
So I turned my eyes to Heaven
I thought, "God, why don't You do something?"
Well, I just couldn't bear the thought of
People living in poverty
Children sold into slavery
The thought disgusted me
So, I shook my fist at Heaven
Said, "God, why don't You do something?"
He said, "I did, yeah, I created you" (now listen)

If not us, then who
If not me and you
Right now, it's time for us to do something, yeah
If not now, then when
Will we see an end
To all this pain
Oh, it's not enough to do nothing
It's time for us to do something

I'm so tired of talking about
How we are God's hands and feet
But it's easier to say than to be
Live like angels of apathy who tell ourselves
It's alright, "somebody else will do something"
Well, I don't know about you
But I'm sick and tired of life with no desire
I don't want a flame, I want a fire and
I wanna be the one who stands up and says
"I'm gonna do something"

If not us, then who
If not me and you
Right now, it's time for us to do something, yes it is, come on
If not now, then when
Will we see an end
To all this pain

Oh oh, it's not enough to do nothing
It's time for us to do something

We are the salt of the earth
We are a city on a hill
We're never gonna change the world
By standing still
No, we won't stand still
No, we won't stand still
No, we won't stand still
No

If not us, then who
If not me and you
Right now
It's time for us to do something
If not now, then when
Will we see an end
To all this pain
It's not enough to do nothing
It's time for us to do something
It's time for us to do something
It's time for us to do something

Be A Light

Thomas Rhett

In a time full of war, be peace
In a time full of doubt, just believe
Yeah, there ain't that much difference between you and me
In a time full of war, be peace

In a world full of hate, be a light
When you do somebody wrong, make it right
Don't hide in the dark, you were born to shine
In a world full of hate, be a light
(La-la-la, la, la, la, la)

In a place that needs change, make a difference
In a time full of noise, just listen

'Cause life is but a breeze, better live it
In a place that needs a change, make a difference

In a world full of hate, be a light
When you do somebody wrong, make it right
Oh, don't hide in the dark, you were born to shine
In a world full of hate, be a light
La-la-la, la, la, la, la
La-la-la, la, la, la, la
La-la-la, la, la, la, la
La-la-la, la, la, la, la

In a race that you can't win, slow it down
Yeah, you only get one go around
'Cause the finish line is six feet in the ground
In a race you can't win, just slow it down

In a world full of hate, be a light (oh)
When you do somebody wrong, make it right (make it right)
Don't hide in the dark (don't hide in the dark), you were born to shine
In a world full of hate, be a light

Yeah, it's hard to live in colour, when you just see black and white
In a world full of hate, be a light
