I pray for you constantly, asking God, the glorious Father of our Lord Jesus Christ, to give you wisdom to see clearly and really understand who Christ is and all that he has done for you.

I pray that your hearts will be flooded with light so that you can see something of the future he has called you to share.

I want you to realize that God has been made rich because we who are Christ's have been given to him!

I pray that you will begin to understand how incredibly great his power is to help those who believe him.

It is that same mighty power that raised Christ from the dead and seated him in the place of honour at God's right hand in heaven, far, far above any other king or ruler or dictator or leader.

Eph 1:17-21 TLB

Even when walking through the dark valley of death I will not be afraid, for you are close beside me, guarding, guiding all the way.

Your goodness and unfailing kindness shall be with me all of my life, and afterwards I will live with you forever in your home.

Psalms 23:4&6 TLB

"I have told you these things so that you can have peace in me. In this world you will have troubles. But be brave! I have defeated the world!"

John 16:33 ERV

Even If
Mercy Me

They say sometimes you win some
Sometimes you lose some
And right now, right now I'm losing bad
I've stood on this stage night after night
Reminding the broken it'll be alright
But right now, oh right now I just can't

It's easy to sing
When there's nothing to bring me down
But what will I say
When I'm held to the flame
Like I am right now

I know You're able and I know You can
Save through the fire with Your mighty hand
But even if You don't
My hope is You alone

They say it only takes a little faith
To move a mountain
Well good thing
A little faith is all I have, right now
But God, when You choose
To leave mountains unmovable
Oh give me the strength to be able to sing
It is well with my soul

I know You're able and I know You can
Save through the fire with Your mighty hand
But even if You don't
My hope is You alone
I know the sorrow, and I know the hurt
Would all go away if You'd just say the word
But even if You don't
My hope is You alone

You've been faithful, You've been good
All of my days
Jesus, I will cling to You
Come what may
'Cause I know You're able
I know You can

I know You're able and I know You can
Save through the fire with Your mighty hand
But even if You don't
My hope is You alone
I know the sorrow, I know the hurt
Would all go away if You'd just say the word
But even if You don't
My hope is You alone

It is well with my soul
It is well, it is well with my soul

Desert Road
Casting Crowns

I don't wanna write this song
I don't want this pain to be my story
I don't want this desert road
Are you sure this is the plan that You have for me?
Out here in the dust and clay
God, if there's a bigger picture
It's gettin' hard to see today
But I know that You won't leave me

I don't know where this is goin'
But I know who holds my hand
It's not the path I would've chosen
But I'll follow You to the end
Lord, as long as I am breathin'
I will make Your glory known
Even if it means I'm walkin'
On this desert road

On this desert road
(Where You lead me, I will follow)

You got my attention now
I was doin' the talkin', but now I'm listenin'
This is where my hope is found
Knowin' life is hard, but You're still with me
I'm not out here on my own
You are close to the broken-hearted

'Cause you already walked this road
And You're gonna finish what You started

I don't know where this is goin'
But I know who holds my hand
It's not the path I would've chosen
But I'll follow You to the end
Lord, as long as I am breathin'
I will make Your glory known
Even if it means I'm walkin'
On this desert road

On this desert road
(Where You lead me, I will follow)

Where You lead me, I will follow
As You lift my hand, I see
Where You lead me, I will follow
So many desperate souls in need
Where You lead me, I will follow
I'll walk with them as You walk with me
Where You lead me, I will follow
You're the livin' water to the thirsty

I don't know where this is goin'
But I know who holds my hand
It's not the path I would've chosen
But I'll follow You to the end
Lord, as long as I am breathin'
I will make Your glory known
Even if it means I'm walkin'
On this desert road

On this desert road
(Where You lead me, I will follow)
So many desperate souls in need
(Where You lead me, I will follow)
I'll walk with them as You walk with me
(Where You lead me, I will follow)
