\*Prayer:

*Teach me your ways, O Lord; make them known to me.*

*Teach me to live according to your truth, for you are my God, who saves me. I always trust in you.*

Psalm 25:4-6 GNT

*The wise in heart are called discerning,  
and gracious words promote instruction.*

Proverbs 16:21NIV

*Enable me to speak the truth at all times,  
because my hope is in your judgments.*

Psalm 119:43 GNT

*If you are wise and understand God's ways,  
prove it by living an honourable life,  
doing good works with the humility that comes from wisdom.*

*But the wisdom from above is first of all pure.*

*It is also peace loving, gentle at all times,  
and willing to yield to others.*

*It is full of mercy and the fruit of good deeds.*

*It shows no favouritism and is always sincere.*

*And those who are peacemakers will plant seeds of peace  
and reap a harvest of righteousness.*

James 3:13,17-18 NLT

## 2nd Opinions

### Casting Crowns

Well, Church, gather 'round, 'cause we got us a problem  
There's a lot of inspiration floating around these days  
Words that paint a pretty picture but you won't find them in the Scripture  
That's because they're all from the book of Second Opinions, hmm-mm  
Well they'll say follow your heart where'er it leads you  
Just let that little voice inside you show the way  
I guess the million dollar question is it your heart or indigestion  
'Cause the heart's been known to lead the fool astray.  
It ain't hard to get hooked on the book of Second Opinions  
We'd rather live our own truth, don't tell us what to do, just what we wanna hear  
But it's high time we turned our interest to God's Word instead of Pinterest  
And finally close the book of Second Opinions.

We'll say everything happens for a reason  
And just to give our foolish ways a clever spin  
And I've heard it said the Lord won't give you anything you can't handle  
But the truth is we can't handle anything without Him.  
It ain't hard to get hooked on the book of Second Opinions  
We'd rather live our own truth, don't tell us what to do, just what we wanna hear  
But it's high time we turned our interest to God's Word instead of Pinterest  
And finally close the book of Second Opinions.

But You say I don't have to change 'cause it just the way I am  
I got all the proof I need - well right here in my Enneagram  
I can tell myself it's always been about me so give me some love and positivity  
But all the good vibes in the world would never make a dead heart beat.

Well, the world might tell you that all roads lead to Heaven  
Well, that is just one thing I'd like to say  
There's one throne and I'm not on it, a solid Rock and I stand upon it  
And Jesus is the truth, the life, the way.  
It ain't hard to get hooked on the book of Second Opinions  
We'd rather live our own truth, don't tell us what to do, just what we wanna hear  
But it's high time we turned our interest to God's word instead of Pinterest  
And finally close the book of Second Opinions.  
It's high time we turned our interest to God's word instead of Pinterest  
And finally close the book of Second Opinions.
