*The LORD said, "Sing for joy, people of Jerusalem!
I am coming to live among you!"*

Zec 2:10 GNT

*So we're not giving up. How could we!
Even though on the outside it often looks like things are
falling apart on us, on the inside, where God is making new life,
not a day goes by without his unfolding grace.
These hard times are small potatoes compared to
the coming good times, the lavish celebration prepared for us.
There's far more here than meets the eye.
The things we see now are here today, gone tomorrow.
But the things we can't see now will last forever.*

2 Cor 4:16-18 MSG

*You love Him, though you have not seen Him.
And though not seeing Him now,
you believe in Him and rejoice with inexpressible and glorious joy,
because you are receiving the goal of your faith,
the salvation of your souls.*

1 Peter 1:8-9

Just Because It's Christmas

Anne Wilson

Just because it's Christmas, doesn't mean your heart don't hurt
Just because it's Christmas, doesn't mean there's peace on Earth
Joy to all the world can be the hardest time of year
But see the star even here

Bring your wounded heart to the manger
Fall down at the feet of the King
When thrills of hope don't find you
He loves you just the same
You don't have to be ok
Just because it's Christmas

He's healing for the broken and He's home for all the lost
He's comfort for the weary, sent from Heaven just for us
So you don't have to hide your questions deep within your soul
Emmanuel already knows

Bring your wounded heart to the manger
Fall down at the feet of the King
When thrills of hope don't find you
He loves you just the same
You don't have to be okay
Just because it's Christmas

O come and adore Him
O come and adore Him
Feel the wonder once again
O come and adore Him

Bring your wounded heart to the manger
Fall down at the feet of the King
When thrills of hope don't find you
He loves you just the same
You don't have to be ok
You don't have to be ok
Just because it's Christmas

Christmas Is Here

JJ Heller

I see the candles, glow in the windows
I hear the church bells starting to chime
Millions of snowflakes, falling from heaven
Turning the world, from grey to white
Even the hardest of hearts
Cannot deny the magic in the air

Let us adore Him
Lift up your voices
Sing it out loud
Sing it out clear
Christmas is here

Join in the chorus, sing to the baby
Sleeping beneath the stars that he made
Light in the darkness, hope for the hopeless
His love will never fade away
Heaven came down to earth
To bind our wounds, and wipe away our tears

Let us adore Him
Lift up your voices
Sing it out loud
Sing it out clear
Christmas is here

There is a longing in the melody
I feel it every year
Let us adore him
Lift up your voices
Sing it out loud
Sing it out loud
Sing it out clear

Let us adore him
Lift up your voices
Sing it out loud
Sing it out clear
Christmas is here
Christmas is here
