Into the Light

Reading: Step into the Light

*You light a lamp for me.
The LORD, my God, lights up my darkness.
In your strength I can crush an army; with my God I can scale any wall.
God's way is perfect. All the LORD's promises prove true.
He is a shield for all who look to him for protection.
For who is God except the LORD?
Who but our God is a solid rock?
God arms me with strength, and he makes my way perfect.
He makes me as surefooted as a deer,
enabling me to stand on mountain heights.*

Ps 18:28-33 NLT

*He is the light who reveals Your message to the other nations,
and He is the shining glory of Your covenant people, Israel.*

Luke 2:32 VOICE

*The Word was the source of life, and this life brought light to people.
The light shines in the darkness, and the darkness has never put it out.*

John 1:4-5 GNT

Song: Into the Light. Matthew West (Lyrics on page 2&3)

Into the Light

Matthew West

I was stranded in the shadows
It was all I ever knew
I was pushed down in the darkness
Lost all hope of breaking through

There's no life inside that prison
No windows, just these walls and chains
But love was on a mission
And I never will forget the day
You woke my heart up (yeah)
You made me brave (yeah, yeah)
You lifted my eyes
And called me by my name

You said
Come on, come on out of the darkness
Come on, come on, out of the night
No more, no more living in the shadows now
Step into the light

When I was shaky, You were steady
Like a lighthouse off the coast
Always willing, always ready
To lead this wandering heart back home
And now I still got bruises
And the scars don't lie
But they're the proof that
I got a second chance at life

So, come on, come on out of the darkness
Come on, come on, out of the night
No more, no more living in the shadows now
Step into the light

Come on, come on, no looking back now
Come on, come on, run for your life
No more, no more living in the shadows now
Step into the light

Into the light
There's a break in the clouds
The sun's raining down
It's calling me out
This is my hallelujah

Night turns to day
All my fear melts away
Lift my hands up and say
This is my hallelujah

Come on, come on out of the darkness
Come on, come on, out of the night
No more, no more living in the shadows now
Step into the light

Come on, come on out of the darkness
Come on, come on, out of the night
No more, no more living in the shadows now
Step into the light

Come on, come on, no looking back now
Come on, come on, run for your life
No more, no more living in the shadows now
Step into the light
