

Quiet Moments with God

Allow these Quiet Moments to draw you into a time of rest and reflection with the Lord. Open your heart. What is He saying to you?

Great God Who Stays

Reading: God never leaves you.

Christ will always continue to love us. Nothing can stop that! We may have troubles. Things may make us sad or afraid. People may do bad things to us. We may have no food or no clothes. There may be great danger. People may even try to kill us. But none of these things can stop Christ from loving us...

Because God loves us, none of these troubles can ever beat us.

He makes us win against them. I am sure of this.

Nothing can stop God from loving us.

Death cannot do that. Life cannot do that. Angels cannot do that, nor can demons do that. Nothing that happens to us now, or that will happen in a future time can do that. No powerful spirits can do that. Nothing that is high above the world can do that, nor anything that is deep down below the ground. Nothing else in the whole universe can stop God from loving us.

Because of our Lord Christ Jesus, we know how much God loves us.

Romans 8:35,37-39 EasyEnglish Bible (EASY)

I will praise you, Lord, among the nations;

I will sing of you among the peoples.

For great is your love, reaching to the heavens;

your faithfulness reaches to the skies.

Psalm 57:9-10 NIV

The God Who Stays

Matthew West

If I were You I would've given up on me by now
I would've labelled me a lost cause
'Cause I feel just like a lost cause

If I were You I would've turned around and walked away
I would've labelled me beyond repair
'Cause I feel like I'm beyond repair

Oh, but somehow You don't see me like I do
Somehow You're still here

You're the God who stays
You're the God who stays
You're the one who runs in my direction
When the whole world walks away
You're the God who stands
With wide open arms
And You tell me nothing I have ever done can separate my heart
From the God who stays

I used to hide
Every time I thought I let You down
I always thought I had to earn my way
But I'm learning You don't work that way, no

'Cause somehow You don't see me like I do
Somehow You're still here

You're the God who stays
You're the God who stays
You're the one who runs in my direction
When the whole world walks away
You're the God who stands
With wide open arms
And You tell me nothing I have ever done can separate my heart
From the God who stays

My shame can't separate
My guilt can't separate
My past can't separate
I'm Yours forever

My sin can't separate
My scars can't separate
My failures can't separate
I'm Yours forever

No enemy can separate
No power of hell can take away
Your love for me will never change
I'm Yours forever

'Cause you're the God who stays
You're the God who stays
You're the one who runs in my direction
When the whole world walks away
You're the God who stands
With wide open arms
And You tell me nothing I have ever done can separate my heart
From the God who stays
You're the God who stays
You're the one who runs in my direction
When the whole world walks away
You're the God who stands
With wide open arms
And You tell me nothing I have ever done can separate my heart
From the God who stays
