Faith in His Love

[Reading: Just believe that Jesus actually loves you.](#)

*God showed how much he loved us
by sending his one and only Son into the world
so that we might have eternal life through him.*

*This is real love — not that we loved God,
but that he loved us and sent his Son as a sacrifice to take away our sins.*

*Dear friends, since God loved us that much,
we surely ought to love each other.*

No one has ever seen God.

*But if we love each other, God lives in us,
and his love is brought to full expression in us.*

*And God has given us his Spirit as proof
that we live in him and he in us.*

*Furthermore, we have seen with our own eyes and now testify
that the Father sent his Son to be the Savior of the world.*

*All who declare that Jesus is the Son of God have God living in them,
and they live in God.*

We know how much God loves us, and we have put our trust in his love.

1 John 4:9-16

What Love Really Means

JJ Heller

He cries in the corner where nobody sees
He's the kid with the story no one would believe
He prays every night
Dear God, won't you please
Could you send someone here who will love me?

Who will love me for me?
Not for what I have done or what I will become
Who will love me for me?
'Cause nobody has shown me what love
What love really means, what love really means

Her office is shrinking a little each day
She's the woman whose husband has run away
She'll go to the gym after working today
Maybe if she was thinner then he would've stayed
And she says
Who will love me for me?
Not for what I have done or what I will become
Who will love me for me?
'Cause nobody has shown me what love
What love really means, what love really means

He's waiting to die as he sits all alone
He's a man in a cell who regrets what he's done
He utters a cry from the depths of his soul
"Oh Lord, forgive me, I want to go home"

Then he heard a voice somewhere deep inside
And it said,
I know you've murdered and I know you've lied
And I have watched you suffer all of your life
And now that you'll listen I'll, I'll tell you that I

I will love you for you
Not for what you have done or what you will become
I will love you for you
I will give you the love
The love that you never knew
Love you for you

Not for what you have done or what you will become
I will love you for you
I will give you the love
The love that you never knew
